Subject: Original Amended Letter of Credit and Modified Reclamation Contract, US Magnesium LLC, Rowley/Stansbury Mine, M/045/0008, Tooele County, Utah

Dear Mr. Tripp:

As noted in the recent draft review of the Rowley/Stansbury Notice of Intention to Commence Large Mining Operations, the Division of Oil, Gas and Mining needs to receive a copy with original signatures of the amended letter of credit which serves as reclamation surety for the Rowley/Stansbury operation. Please provide this as soon as possible but no later than February 23, 2015.

The Division also needs to receive a new reclamation contract. Please have the appropriate person review and sign the contract and return the original together with the amended letter of credit.

Please contact the minerals program bonding coordinator, Penny Berry, at 801-538-5291 or by e mail at pennyberry@utah.gov if you have questions or need assistance with these documents. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
